Jane McNerney, Esq.  
Legal Advisory

Michael Gerhardt  
Marketing Advisory

Dan Gaboda  
General Advisory

**A Vision for Kids**

Dear 4Sight Friends,

We're very excited to share some wonderful news! 4Sight has joined forces with the well-known Little Rock Foundation.

**What is The Little Rock Foundation?**

The Little Rock Foundation is an amazing organization that is dedicated to improving the lives of children who are blind or visually impaired. They are a 501(c)3 non-profit organization based out of New Jersey and are run by caring volunteers who have dedicated their time and energy to support blind children and the families who love them. Enclosed please find the Little Rock Foundation's brochure detailing their efforts in the community.

**What does this mean for 4Sight?**

4Sight has dissolved as a non-profit organization and its remaining funds have been donated to The Little Rock Foundation. While it is bittersweet to see 4Sight come to an end as an organization, we are thrilled to merge with a foundation with the resources and power to enact the kind of change for which we've always strived. We are so grateful to The Little Rock Foundation for inviting us to join forces to help achieve our common goals.

**What will happen to the 4Sight Board?**

Meghan Wismer has joined The Little Rock Foundation team as their Family Support Outreach Coordinator. In this role, she will continue to carry out 4Sight's goals through the utilization of Little Rock's resources. This will include the facilitation of a family support group, increased online presence for the Foundation, and acting as a liaison for parents of blind and visually impaired children. The other 4Sight board members will support the Little Rock activities by volunteering as needed.

**What can you do to help?**

Please visit the Little Rock Foundation website by going to [www.tlrf.org](http://www.tlrf.org) to find ways to support the foundation through volunteering and donations.

**Thank You**

We'd like to thank all of you for your dedication to 4Sight and for supporting us over the past four years. It has been an honor to serve families in need and we look forward to reaching even further with The Little Rock Foundation. We hope you'll continue to support The Little Rock Foundation to help us achieve those goals.

Sincerely,

The 4Sight Board
